

## Fields of Greens®

With today's busy lifestyles and the convenience of fast food, we all too often neglect eating fresh, green foods. Forever Living Products provides a simple solution to "convenience eating" in Fields of Greens®. One glance at its ingredient list reveals a cornucopia of green foods for your body.

Get the antioxidants and chlorophyll you may be lacking. Fields of Greens combines **young barley grass, wheat grass, alfalfa** and added **cayenne pepper** (to help maintain healthy circulation and digestion). We have also added honey to promote energy.
